## Tilney Active Portfolios

The Tilney Active Portfolios are a simple way for investors to have their investments managed by our experts and are available to clients with a minimum investment of just £1,000.

There are nine funds aimed at different risk tolerances, ranging from Defensive to Maximum Growth. The Fund predominantly invests in equities, bonds, real assets including commercial property, absolute return funds, commodities, cash and other assets. The Fund may also invest to a lesser extent, in exchange traded funds, investment trusts, direct fixed income products and use derivatives for efficient portfolio management and investment purposes.

The funds are dynamically managed by our Asset Allocation Committee, which is made up of a senior team of investment professionals and chaired by our Chief Investment Officer, Chris Godding, to ensure they meet the ever-changing investment environment and stay in line with their objectives and risk level.

We currently have more than £9 billion of client assets invested in the full range of portfolios.

## Investment Objectives of the Fund

The Maximum Growth fund aims to deliver an investment return of capital growth over the long term. The Fund is riskier than the Adventurous Fund but has the potential to give you higher returns. The Fund adopts a higher risk approach.

## Investment Team

The central investment team consists of over 25 experienced professionals in asset allocation, fund selection and portfolio management.

### Important Information

The Maximum Growth Portfolio is a sub-fund of Tilney Umbrella A ICAV, an open-ended Irish collective asset management vehicle which is constituted as an umbrella fund with segregated liability between sub-funds, with variable capital and authorised by the Central Bank of Ireland as a retail investor alternative investment fund. Retail, institutional and clean share classes are available for selected sub-funds as accumulation or distribution shares. The Tilney Umbrella A ICAV is administered by Citibank Europe plc.

**Please remember the value of an investment and income derived from it can go down as well as up and you may get back less than the amount invested. Past performance or any yields quoted should never be considered reliable indicators of future returns**

Investments denominated in a currency other than sterling may expose you to the risk of fluctuating exchange rates. You are required to read the Key Information Document (KID) before making an investment. The KID, prospectus and supplements for all funds are available free of charge at [www.tsandw.com/compliance/tilneys-funds](http://www.tsandw.com/compliance/tilneys-funds) or by calling 020 3131 6197.

All data is as at 31 August 2020 and rounded to nearest 0.1. Performance data prior to 20 September 2019 is based on the MAP Maximum Growth retail GBP accumulation share class to illustrate previous performance achieved for a similar share class and to demonstrate the fund manager's experience in this sector. \* This benchmark has been used for comparison purposes only. \*\* Source: Morningstar. Chart and table based on NAV to NAV data from launch, net of tax and charges with net dividends reinvested. \*\*\* 2014 performance is from 12 December 2014 to 31 December 2014 and the performance for 2020 is to 31 August 2020. Annualised performance is from 12 December 2014 to 31 August 2020. †† The Ongoing Charge Figure (OCF) is the continuous charge for owning the fund, including the AMC of 1.50%, the underlying fund's OCF but excludes the portfolio transaction costs. ††† The Transaction Costs are calculated using the PRIIPs methodology.
