### Tilney Active Portfolios

The Tilney Active Portfolios are a range of actively managed collective investment funds, designed to give investors direct access to the ideas generated by the Tilney investment process in a simple and tax efficient structure. With ten different strategies, each fund is linked to our sophisticated risk profiling process to ensure investors have exposure to the optimal blend of available asset classes. Drawing on the expertise of our extensive internal research resource and overseen by a dedicated team of the firm's most senior investment professionals, each fund is dynamically re-balanced to meet a range of clearly articulated inflation plus return targets.

### Investment Objectives of the Fund

The Sustainable Cautious fund aims to deliver, over the long term, an investment return of capital growth via a multi-asset portfolio of investments which in aggregate demonstrate Environmental, Social and Governance (ESG) and sustainability credentials. The portfolio can invest across most asset classes and adopts a low to moderate risk approach.

## Important Information

The Sustainable Cautious Portfolio is a sub-fund of Tilney Umbrella A ICAV, an open-ended Irish collective asset management vehicle which is constituted as an umbrella fund with segregated liability between sub-funds, with variable capital and authorised by the Central Bank of Ireland as a retail investor alternative investment fund. Clean share classes are available as accumulation or distribution shares. The Tilney Umbrella A ICAV is administered by Citibank Europe plc.

**Please remember the value of an investment and income derived from it can go down as well as up and you may get back less than the amount invested. Past performance or any yields quoted should never be considered reliable indicators of future returns.**

Investments denominated in a currency other than sterling may expose you to the risk of fluctuating exchange rates. The Fund is subject to normal market and currency fluctuations. This Fund may not be appropriate for investors who plan to withdraw their money within 5 years. Different funds carry varying levels of risk depending on the geographical region and industry sector in which they invest. You should make yourself aware of these specific risks prior to investing. Investment by the Fund in other collective investment schemes, emerging markets and use of derivatives may involve additional risks. You may face a financial loss should the Fund or the depositary default on their obligations. There is no compensation or guarantee scheme in place which may offset all or any such loss. Please note that some ethical funds may, by definition, have a limited investment universe; this may affect performance. You are required to read the Key Information Document (KID) before making an investment. The KID, prospectus and supplements for all funds are available free of charge at [www.tsandw.com/compliance/tilneys-funds](http://www.tsandw.com/compliance/tilneys-funds) or by calling 020 3131 6197.
